*Grand Theft Auto V
ASI Script Modification*

PLD – Player Location Display

VERSION: V1.05

RELEASE: 2015-JUN-18

COMPATIBILITY: GTAV-PC

REQUIREMENTS: Any GTAV ASI ScriptHook

DESCRIPTION

- PLD displays the player's current in-game location at the bottom-left corner of the screen.
- Location includes street name or intersection, area name, and county or city.

INSTALLATION

- Place the .asi file provided in the download inside your main GTAV game directory.
- Start your game.

IMPORTANT

- A GTAV ScriptHook must be installed for any .asi modification to work. The original may be found [here](#).
- Using script modifications in GTA Online can result in a temporary or permanent ban from the service.

ADDITIONAL NOTES

- The PLD is active by default.
- To disable the location display at any time, you may use the following key combination: *Alt + Ctrl + L*
- To enable the location display once it has been disabled, simply repeat the key combination above.
- It is recommended that you disable subtitles (PAUSE>SETTINGS>DISPLAY>SUBTITLES) when using PLD to prevent overlap.

CREDITS

- PLD is coded by Lt.Caine.
- Thank you to Alexander Blade without whose work scripting for GTAV would not be possible.

REDISTRIBUTION

- If you wish to modify the content of this package with the intent of distribution, authorization of the author is required.

This product is freeware and may not be exploited for personal, financial or commercial gain. It is provided without any form of warranty. Therefore, responsibility for any damages caused by this product or its misuse rest solely with the end-user, as the author(s) will accept no liability. You may redistribute this product unless instructed otherwise above as long as the following condition(s) are met: the contents of the archive or package containing this file and the product must not be modified or tampered with; this information file must not be modified in any way; this information file must be provided alongside the product it is assigned to at all times when being distributed; and all proper credits must be respected and clearly provided.
